

Attention Pet Owners:

Get your best friend their ticket home!

Annual Dog and Cat Licenses are now available.

Get your dog or cat license by February 15th to save \$10.

Dog and cat licenses are required by law. Although many people believe that their pet will never leave their property, pets have a way of getting out and getting lost. Microchips are invisible to the eye and can occasionally go undetected. A license is visible proof of ownership which lets people know that your pet is owned and provides a method to get your pet home.

Licenses may be purchased on-line with a credit card at www.rdshelter.ca
